

Born on 30/8/1952 in Milan (Italy)

1976: Degree in Biology (Univ Milan)

1978-1980: Visiting Fellow (Natl Inst Mental Health, NIH, Washington, DC)

1981-1999: Assistant Professor (Dept Med Pharmacol, Univ Milan)

Jun-Oct 1987/Oct-Nov 1988/Sep-Oct 1989: Visiting Fellow (Natl Inst Med Res, NIMR, Mill Hill, London)

May-Jul 1993: Short-Term EMBO Fellow (Natl Inst Med Res, NIMR, Mill Hill, London)

Jun-Jul 1997: Wellcome Trust Fellow (Div Biochem Mol Biol, Univ Glasgow)

2000-2011: Associate Professor in Pharmacology (Univ Milan-Bicocca)

2000: Co-organizer of the FEBS Advanced Course on Lipid Modifications of Proteins (Il Ciocco, Italy)

Since October 2011: Full Professor in Pharmacology (Univ Milan-Bicocca)

September 2012: Co-organizer of the Biochemical Society Focused Meeting on G-Protein-coupled-receptors: from structural insights to functional mechanisms (Prato, Italy)

September 2015: Co-organizer of the Biochemical Society Focused Meeting on G-Protein-coupled-receptors: Beyond structure towards therapy (Prato, Italy)

Past member of the Editorial Board of the Biochemical Journal and present member of the Editorial Boards of Critical Reviews in Neurobiology and Frontiers in Membrane Physiology and Biophysics
Member of the American Society for Neuroscience and the British Biochemical Society
