ASSOCIATE RESEARCHER;  
SCHOOL OF MEDICINE, DEPARTMENT OF MEDICINE AND  
SURGERY, PATHOLOGY SECTION  
MEDICAL ASSISTANT , SAN GERARDO HOSPITAL, MONZA,  
DEPARTMENT OF PATHOLOGY  
EMAIL:

fabio.pagni@unimib.it

MEDICAL DEGREE: 2005, CUM LAUDE,

University Milan Bicocca

PATHOLOGY, Specialist: 2010 CUM LAUDE,

University Milan Bicocca

Expert in:

-Thyroid pathology (fellow ship at the International Pathology Consultation Center at the Centro Diagnostico Italiano (C.D.I.), in Milan director Juan Rosai)

-Cytopathology ( thyroid FNAB section at the Department of Pathology, University Milan Bicocca)

-Responsible of the thyroid FNA biopsy ambulatory at San Gerardo Monza

--Nephropathology

Responsible for renal pathology at at San Gerardo Monza

- Professor of Pathology at University Milan Bicocca, School of Medicine

- Member of Patologi Oltre Frontiera, ONG

- Member of AGPAM, ONLUS (Associazione Gruppo Patologi Area Milanese)

- Member of the Direction of the Lombardia section of SIAPEC (Società Italiana Anatomia Patologica e Citologia)

SUPERVISION OF GRADUATE STUDENTS AND POSTDOCTORAL FELLOWS

2011- today : tutor in many graduation theses with supervision of students of the School of Medicine and in the Medical Biotechnology Course, University Milan Bicocca (UNIMIB), Italy.

Tutor of many fellows at the School of Specialization of Pathology, UNIMIB.

TEACHING ACTIVITIES

Professor of Pathology, School of Medicine, UNIMIB

Professor of Pathology, Laboratory Technician Course, UNIMIB

Professor of Pathology, Schools of Specialization in Pathology, Nephrology and Hematology, UNIMIB

Coordinator of scientific and practical courses on thyroid FNA, UNIMIB

Collaborator, Master in cytopathology, UNIMI (Prof. Manuela Nebuloni)

#### INSTITUTIONAL RESPONSIBILITIES (if applicable)

He manages autonomously the Fine Needle Aspiration (US-FNA) clinic for thyroid UltraSound guided biopsies at San Gerardo Hospital, Monza, Italy

Referent for thyroid tumours at San Gerardo Hospital, Monza

Referent for the routine diagnosis in nephropathology at San Gerardo Hospital, Monza

#### ORGANISATION OF SCIENTIFIC MEETINGS (if applicable)

Speaker in many Italian and International meetings on renal and thyroid pathology; in particular he participated in the faculty at the International Congress Update in Thyroid Pathology, Milan October 2013, with the participation of Prof Sosa, Duke University, Durham, NC.

#### MEMBERSHIPS OF SCIENTIFIC SOCIETIES (if applicable)

2013 Member of the managing board of the Italian Society of Pathology (SIAPEC, Lombardia, Italy)

2015 Member of the SIN-SIAPEC board for Italian Recommendations in renal biopsies management

#### MAJOR COLLABORATIONS (if applicable)

Collaboration with the Proteomics Unit of UNIMIB and the Genomics Unit of Cagliari University, Italy on thyroid carcinoma research.

Coordination of the research group on familial thyroid carcinoma genetic predisposition at UNIMIB in collaboration with Prof Gaia Roversi, Medical Genomics section.

#### TRACK RECORD

Dr Fabio Pagni led the authorship of most of his recent publications.

He had a total of 95 Pubmed indexed papers, 40 of which published in the last 5 years. Most of these publications are in line with Dr Pagni interest in thyroid pathology.

A peculiar field of research is nephropathology, in particular an original, proteomic-based approach to glomerulonephritis disease.

He is reviewer of the following IF-indexed journals:

Journal of Pathology

Cytopathology

Diagnostic Cytopathology

World Journal of Surgical Oncology

BioMedCentral Research Notes
